

NET ZERO 360

GROW YOUR BUSINESS THE GREEN WAY

Net Zero 360 is a simple, easy to access training programme designed specifically for SME sized businesses. Our **fully funded one day workshop** will set you on your very own journey to Net Zero. Places are limited, so book early.

Is this right for my business?

As a business working in a competitive and demanding environment, you can't afford to be playing catch-up. Bidding for contracts and tenders may soon ask how you are tackling climate change.

Bidding for
Contracts/Tenders

Innovation and
Adaptability

Profit with Purpose

What will we cover?

- ✓ Introduction to greenhouse gases and human-caused climate change.
- ✓ Terminology, key facts and targets.
- ✓ Walk through calculating your carbon footprint.
- ✓ Setting science-based targets.
- ✓ Creating your net zero road map.
- ✓ Decarbonising your supply chain and Net zero business models.

What do attendees think

- Very informative
- Interactive/engaging
- Easy to follow
- Useful handouts
- Relatable examples
